The newly engraved, last edition of signets in Lombardy-Venice

50 centesimi stamped signet (Erfüllungstempel) with control stamping in Padua (left). Special design for Lombardy-Venice, analogue to the 15 Kreuzer Austrian signet, because 50 centesimi was equivalent to 15 Kreuzer.

Certificate for mortgage preservation in Bolzano (Bozano today) in the province Venice (no. 1839). The value of the mortgage had to be between 100 and 200 Guiden because of 15 Kreuzer tax-amount by the second scale is equal to the paid 1 lire and 50 centesimi pre-printed signet on the sheet. The face value has a special design only for Lombardy-Venice. It is not similar to the equivalent Austrian signet with 15 Kreuzer value.

Part 2. Austria - Hungary 1850-1858
The complete extended set of Franz Joseph (no. 1839)

Printed signets of Franz Joseph

After the defeat of the Hungarian Independence War (1848-1849) the Hungarian Kingdom were abolished. The "lands of the Hungarian Holy Crown" became incorporated regions of the Habsburg Empire.

The Tax Order by Emperor Franz Joseph no. 1849, 1850 (valid from 1st November) extended the taxes for documents and other papers into Hungary.

The same Austrian set of printed signet extended with some new values was used also in Austrian crown lands and in Hungary.
